# ***Toccatas! Toccatas...***

**TOCCATA:** *“a musical composition for a keyboard instrument designed to exhibit the performer's touch and technique...”*

***From the flashy favourites... the riotous to the reflective...  
the euphoric to the explosive...***

The variety of organ toccatas will be explored in the next series of lunchtime concerts at the Meeting House; all the colour and variety of the iconic organ built in 1962 will be explored in musical delights.

**EACH PROGRAMME** features one of **Bach's** 5 *Toccatas and Fugues*.
